EXPERIENCE

Schell Games, Pittsburgh, PA — *Senior Producer*

SENIOR PRODUCER, SEPT 2021 - PRESENT

ADVANCED PRODUCER, MAY 2018 - SEPT 2021

GAME PRODUCER, JUNE 2016 - MAY 2018

- Led teams of 10–50 developers in VR, location-based entertainment, mobile app, and connected toy products.
- Developed tools, templates, tutorials, Jira customizations, and best practices for the Production department.
- Collaborated with clients to define requirements, share creative vision, and communicate dependencies.
- Worked with project discipline directors to manage scope in order to deliver on time and on budget.
- Reported progress, risks, schedule, and dependencies to clients, external stakeholders, and studio leadership.
- Fostered a positive environment and maintained team morale with remote, hybrid, and in-person teams.
- Largest project was a theme park attraction developed for a high-profile client over multiple years with a team of up to 50 developers. Successfully opened in multiple parks to popular acclaim during 2021 and 2022.

Fay Games, Amherst, MA — *Producer*

MAY 2015 - JUNE 2016

- Anticipated needs of a fast-paced production of educational mobile game by solving problems in advance.
- Facilitated communication with a remote team of 7 through group meetings and individual follow-up.
- Adapted to evolving priorities by assigning tasks, giving notes, and monitoring progress.

Word Snack HD, Hampshire College — *Art Producer*

FALL 2014

- Worked with team of 40 students to create mobile word game, directly managed twelve 2D and 3D artists.
- Structured meetings and presentations to efficiently gather and give feedback in short production timeline.
- Communicated between departments to ensure all art needs were satisfied and deadlines met. Shipped 2014.
- Created stimulating, welcoming environment where everyone could contribute and develop creative content.

Real Live Theater, Hadley, MA — *Company Manager, Founding Member*

SUMMER 2013 - JUNE 2016
